

Homes & Land  
**EZ tour**

# Not just another Friday night at the movies.

**WHAT'S PLAYING? EZ TOURS.** Go to [HomesAndLand.com](http://HomesAndLand.com) and view as many home tours as you want, no admission necessary. Just select your city and search for listings with a video tour or virtual tour. Watch in the privacy of your own home and narrow down your search. You'll spend less time visiting houses that aren't right for you. Get your popcorn ready and enjoy the show.
